## What we offer...

- an atmosphere of acceptance and encouragement
- ideas and inspiration
- connections to others at the same stage as you
- information about services
- a forum to express your concerns and receive advice
- discussion on a wide variety of practiced wisdom, laughable attempts and spectacular failures
- a parent driven agenda
- an opportunity for new acquaintances and lasting friendships
- assistance with forms and letters
- tissues and hugs

Not sure if your child has autism? Please join in!

**The journey is long but the stops along the way are magnificent.  
You can do this.**
