

Are You Ready to Become a Licensed Home Child Care Caregiver?

Child care is extremely important for working parents. Convenience and quality are two major concerns.

Do You:

- Want to work from home?
- Enjoy working with children?
- Want social opportunities for your children?
- Want to be self-employed without paying for your own child care expenses?
- Want to set your own hours?

If you have answered “yes” to the above questions, consider becoming a Caregiver registered with Family Space Licensed Home Child Care Program.

Benefits of Being a Licensed Home Child Care Caregiver:

- Stay at home with your own children
- Work around your own family schedule
- Set your own hours
- Receive bi-monthly income, deposited directly into your bank account
- Free use of suitable equipment: highchairs, car seats, playpens, etc. through the Ontario Early Years Centre Library
- First Aid & CPR training available
- Support from a Family Space Home Visitor
- Network with other Caregivers
- OEYC playroom times exclusively for Caregivers registered with Family Space Licensed Home Child Care Program
- Quarterly newsletter
- Quarterly Government grant deposited directly to your bank account.

Starting a Licensed Home Child Care Program

The demand for quality home
child care has never been greater

as parents
seek to find
a warm,
caring and
trust-worthy
individual to
watch their
children

while they are at work or at play.

Home Child Care has become
one of the fastest growing seg-
ments of the home business
economy.

Starting your own home child care
program is a rewarding experience
- both personally and financially.
