September 2017

Hello September! New month, new goals, new friends!

The *transition* from August to September can catch us off guard if we're not careful! In a blink-of-an-eye our days get shorter and more hectic. According to the dictionary, a "*transition is a passage, a process or period of changing from one state to another*". Change can be hard for some as we transition from the dog-days of summer to the back-to-school days of fall. No worries. We've got this!

At **Family Space** we feel:

- **Excited** to welcome families who are new to our community. We can't wait to share all the wonderful news about our programs. Check out our [website here!](#)
- **Giddy** about the return of children who took a break over the summer. We are bracing ourselves for an abundance of hugs and high fives upon your return! Get the [playgroup schedule here!](#)
- **Happy** to meet those families with babies born in the recent spring and summer months. We love getting our "baby fix". Check out [Baby Programs here!](#)
- **Tickled** that so many families who enjoyed our outdoor "Tales on the Trails" program will continue to enjoy connecting with nature at our outdoor playgroup. Read about [Wildwood here!](#)
- **Confident** that we played a significant role in helping so many children transition smoothly from our programs into school. Good luck! Remember to drop in to our Saturday programs to say hi.
- **Grateful** to be part of your family. Welcome to our family at Family Space!
