# February 2018

*How Does Learning Happen? Ontario's pedagogy for the early years* is organized around the foundations of **belonging, well-being, engagement,** and **expression.** Let's look closely at how our educators support these conditions—important for children to learn, grow and flourish—at early learning playgroups!

*Hailey thinks and acts like a writer at Prince of Wales early learning playgroup!*

*"Here. And here, and here. There. Yellow again!"*

Two year old Hailey narrates her own thinking as she applies marks to the paper. When she notices her marker is not working, educator Jess asks if she has any ideas why it won't write. Hailey replies matter-of-factly "No, do you?" Educators participate as co-learners with children.
