# January 2018

*How Does Learning Happen? Ontario's pedagogy for the early years* is organized around the foundations of **belonging, well-being, engagement,** and **expression.** Let's look closely at how our educators support these conditions—important for children to learn, grow and flourish—at early learning playgroups!

Finn wonders how the metal ring can open. He tries using force—pulling the ring in all directions—saying “It’s stuck!” He observes closely and notices details with a magnifier. “There’s a screw.” He enlists the help of his friend Paige. He offers a turn to educator Robin. I wonder what happened next. Did he open the ring?

*Finn thinks and acts like a scientist at Calvary Community Church early learning playgroup!*
