

BEING A LICENSED HOME CHILDCARE PROVIDER WITH FAMILY SPACE QUINTE INC.

Myth: I have to take any of the children Family Space sends to me, and any hours they want.

Fact: You are an independent contractor with Family Space. You get to choose which children and families fit best for you and your family. You get to set your own hours, and days of the week you want to work to provide childcare

By the time your child turns 2 years old he/ she should be making scribbles or dots on paper or in sand.

It is important to encourage fine motor skills.

The Family Space Resource Consultant Program offers services to families with children who have special abilities, or require extra support in licenced childcare.

How Does Learning Happen? Ontario's pedagogy for the early years is organized around the foundations of **belonging, well-being, engagement,** and **expression.** Let's look closely at how our educators support these conditions—important for children to learn, grow and flourish—at early learning playgroups!

Jonathan engages in **risky play.** He is developing perseverance, confidence and solving problems. He feels brave!

Did you fall in a hole, Jonathan?

No, I climbed up and got in! Watch me. It's dark too. It's my turn first!

At our Salvation Army playgroup, Morgan (an ECE student), recognizes that a natural part of children's physical play involves engaging in play that is challenging, a bit scary and somewhat risky. Jonathan's growing confidence in climbing was intriguing to his peers who gathered around and followed his lead, eventually taking their own turn with the tires.
