

# BEING A LICENSED HOME CHILDCARE PROVIDER WITH FAMILY SPACE QUINTE INC.

Myth: I have to have my ECE to be a provider with Family Space.

Fact: While having education in the field of Early Childhood Education is an asset, it is not necessary. We do require that you have experience working with children.

Want to get more information on becoming a provider with Family Space Quinte Inc.?

**DID YOU KNOW?**

By the time your child turns 2 years old he/she should be making scribbles or dots on paper or in sand. It is important to encourage fine motor skills.

The Family Space Resource Consultant Program offers services to families with children who have special abilities, or require extra support in licenced childcare.
