

BEING A LICENSED HOME CHILDCARE PROVIDER WITH FAMILY SPACE QUINTE INC.

Myth: My house has to look like a day care all the time.

Fact: Your house is your home. Many caregivers have dedicated space where they leave toys and equipment set up for the children in their care. This is not necessary. Our Home Visitor, Lisa Elliot can assist you with programming, and ideas that make a child care setting that is ideal for children, and for you and your family as well.
