

## BEING A LICENSED HOME CHILDCARE PROVIDER WITH FAMILY SPACE QUINTE INC.

Myth: : I currently care for children privately; do I have to tell them to leave?

Fact: Any children you currently care for privately, you can continue to do so if you choose as long as you maintain the ratios and are not caring for more than 6 children at any one time.

By the time your child turns 2 years old he/she should be using toys for pretend play i.e. gives doll a drink.

The Family Space Resource Consultant Program offers services to families with children who have special abilities, or require extra support in licenced childcare.

## February 2019

Children are brilliant teachers. They notice the small details, the bugs and snowflakes for instance, and invite us to slow down and enjoy each magical day.
