

February 2020

What makes your child unique?

This month is a good reminder to **share your love** by telling your children how fabulous and truly special they are!

Children are like snowflakes...each one is unique.

BEING A LICENSED HOME CHILDCARE PROVIDER WITH FAMILY SPACE QUINTE INC.

Myth: : I currently care for children privately; do I have to tell them to leave?

Fact: Any children you currently care for privately, you can continue to do so if you choose as long as you maintain the ratios and are not caring for more than 6 children at any one time.

When you prepare your child for transitions it will decrease anxiety and behaviours in children. i.e. 5 minutes left; two more swings, etc

The Family Space Resource Consultant Program offers services to families with children who have special abilities, or require extra support in licenced childcare.
